Backstitch Lines:

— DMC-310 black

Center design with the borders at the top and bottom. When stitching is complete, count 5 threads inside the border and remove 4 threads. Do this at both sides. This will be the ribbon channel. Machine or hand stitch the seam at the back of the needle roll. Turn the needle roll right side to. Place a 12" piece of 1/4" ribbon in each ribbon channel. Tie one side tight. Fill with fiber fill. Tie up the other end.
